The Pirouet

PIROUET

A new twist on the portable kiosk.

Meet the Pirouet: the easiest, most complete portable kiosk for any environment. The collapsable, aluminum, European designed frame features changeable full color graphics, a unique lighting scheme, mirrored shelves, and so much more. Easily transports to trade shows, meetings, sales events, and retail venues.

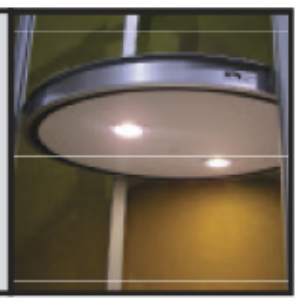

Travels in our convenient roll away bag.

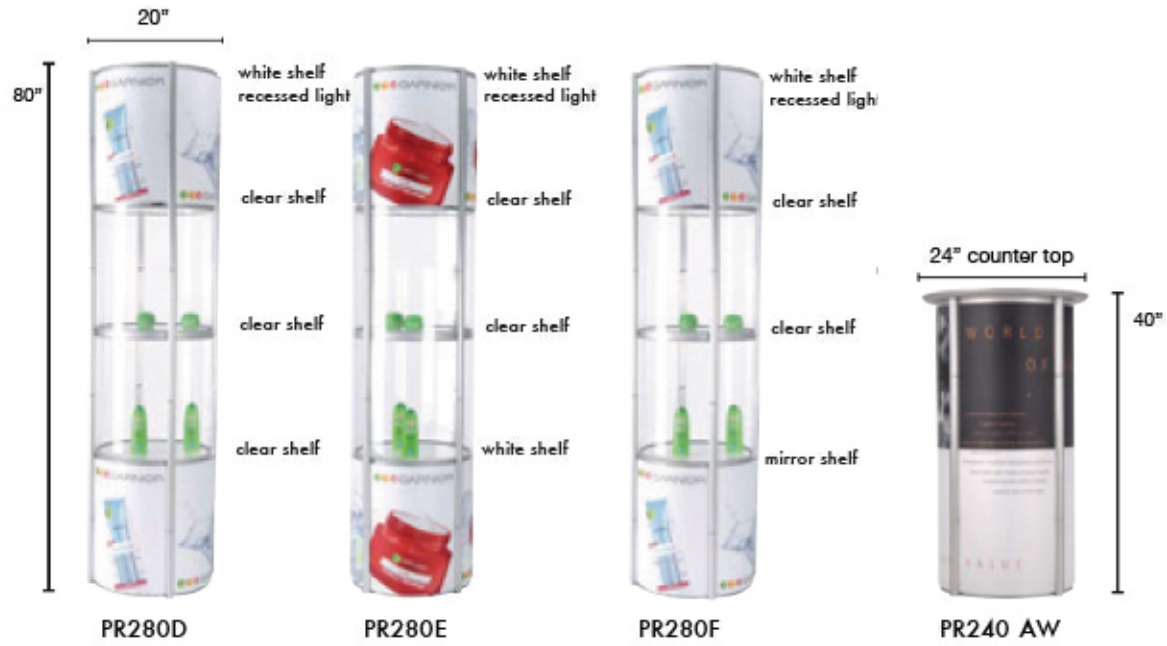

Side panels and graphics simply "snap-in".

Lit frame makes "down-lighting" a product easy.

Features	Benefits
No tool assembly	Towers and counters "twist" into place quickly
Compact (11"h to 80"h in 30 seconds)	80" tower "twists" down to 11" for easy transport
Portable "roll away" bag	"Roll-away"and light weight structure (max 50 lb.) makes handling/placement effortless
Snap-in graphic panels	Customize graphics and acrylic outer skin according to product, market, and functionality (product tower, PC station, podium)
Pre-wired and pre-installed "down" light	Pre-installed shelf includes recessed light – no hiding wires or attaching fixtures
Five "kit" options	Choose from five designs that include product towers, PC station, and podium
An easy "add-on" to existing displays	Enhance existing "pop-ups", exhibits, lobby displays, and retail presentations with a "quick twist"

Add a wheeled flat packing shipping case to your kit - SKU LZ00 (add 15 lbs to Net Wt. of kit)

Wheeled carry bag included.
