Aluvision 

Let's imagineer

Make the difference

Let's get social with a distance.

Make everyday environments like offices, museums, grocery stores, restaurants,... safely accessible again with the **Aluvision SAFE collection**.

You're in good hands with our wide range of sanitizer dispenser displays. Discover 4 new collections.

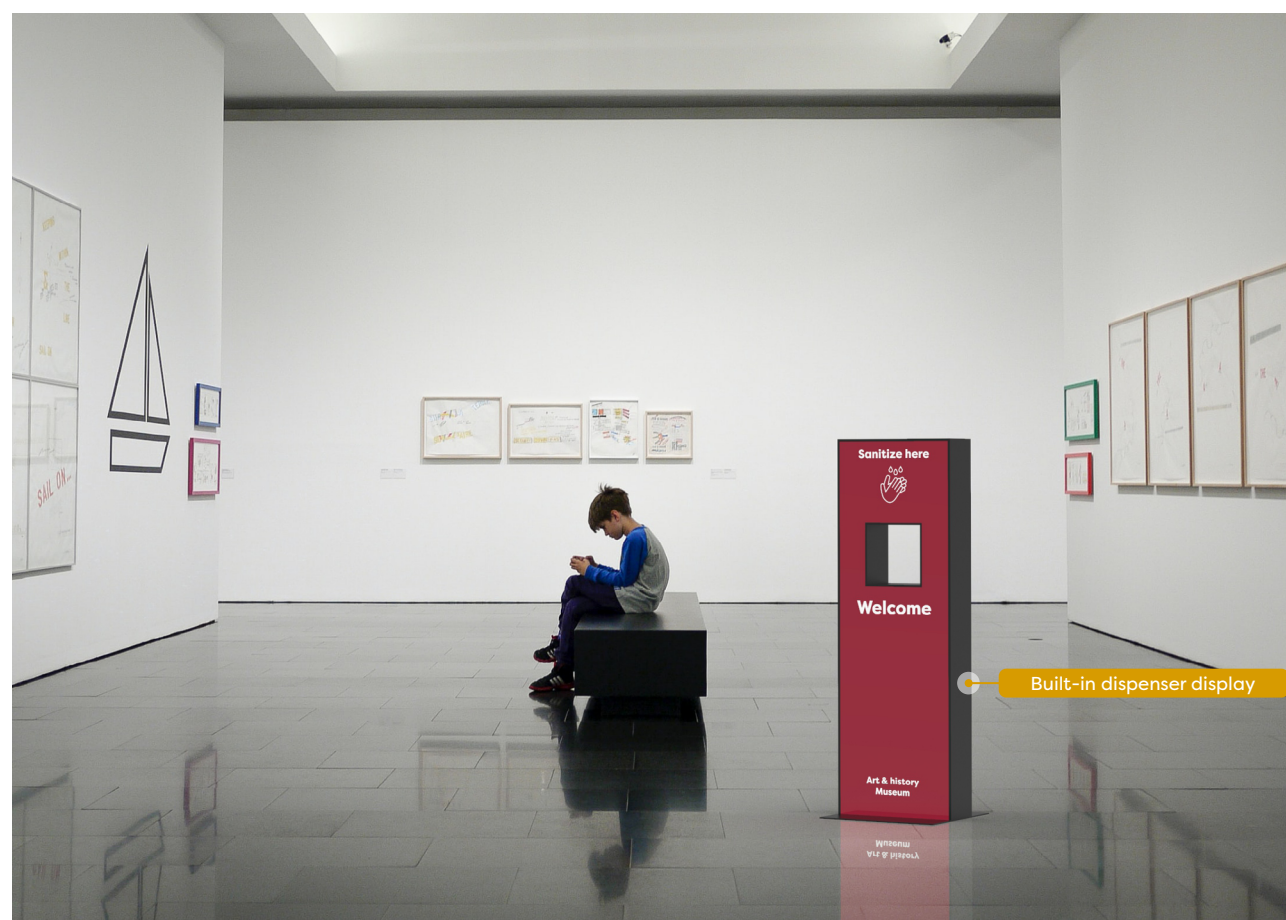

Create modular environments with the utmost attention to social distancing and keep yourself and others safe. Aluvision offers a wide range of modular setups that can be easily introduced into work environments, hospitals, stores, restaurants, exhibition halls and more.

Our aesthetic frames are quick and easy to assemble and above all, offer a hygienic, maintenance-friendly solution for optimal well-being.

Let's stay safe.

Dispenser Displays

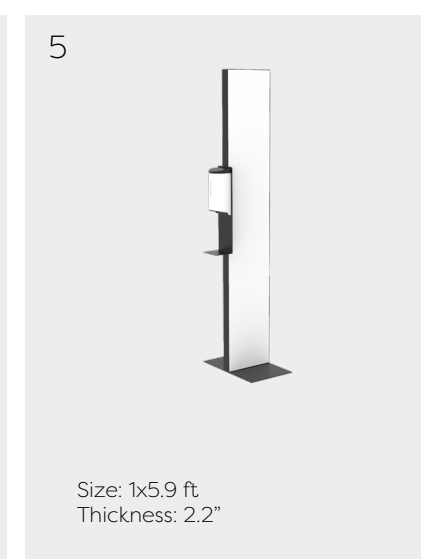

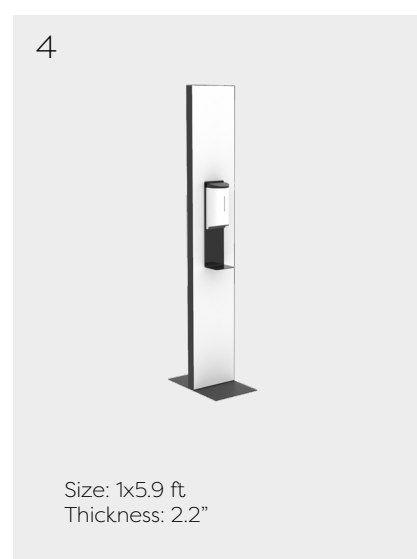

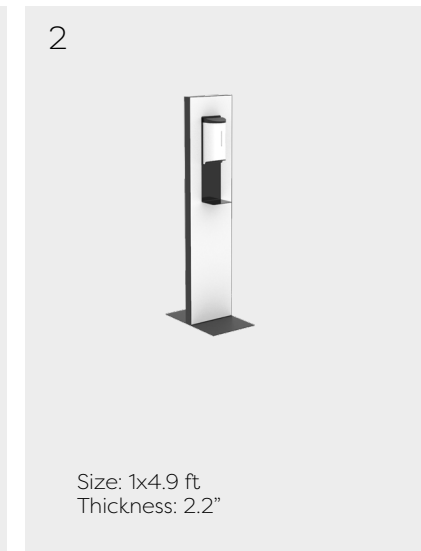

Essential Collection

Our **Essential Collection** offers displays in different sizes, with the possibility to attach the sanitizers to the front or the side. This range also includes displays with a built-in dispenser for a clean and elegant look. All displays are available with black or white Aluvibond panels. A creative advertising tool; logos, messages or visuals can be printed on both sides of the display.

An aluminum drip plate is included.
