

PPE SOLUTIONS FOR RETAIL & GROCERY STORES

Retail stores and grocery stores have a duty to protect patrons and employees with personal protective equipment. It is imperative that important protocols for mask wearing, social distancing and sanitizing are clearly communicated.

We offer an extensive range of PPE products, signs, and solutions to help grocery stores and retail stores operate safely with social distancing and safety measures in place. We also offer customized PPE solutions specified for the environment.

SNEEZE GUARDS

Countertop and hanging sneeze guards create physical separation when social distancing is challenging. We offer a line of off-the-shelf sneeze guards, as well as customized reception barriers that help protect employees and patrons and enable them to interact safely and with confidence. Made in the USA, our barriers are superior in quality, and are designed to last.
